We are expecting hundreds of attendees from all over the world. While the primary goal of the IIC-13 Souvenir Book is to raise funds for the IGO's Scholarship Program, it also provides the following opportunities:

- To acknowledge a person who excelled in their chosen career or contributed greatly to the preservation and promotion of Igorot culture.
- To showcase your organization. There are various organization around the world whose roots can be traced to Benguet, Ifugao, Mountain Province, Kalinga, Apayao and Abra. Through this souvenir book, share with us your vision and mission and your accomplishments.
- To introduce your family and your clan. Let us recognize your loved ones and special milestones in your family history.
- Advertise your company's products and services.

## Souvenir Program Form Instructions

2. If the submission is text and pictures, please submit no later than November 1, 2019. We will do the layout for you and post it on a website for you to review and approve the layout.
3. If you require assistance in writing the text of the ad as well as enhancing the image or coordinating with various friends or relatives across the globe to gather pictures or comments, please submit them as soon as possible. We can help in coordinating and collecting the information. We will do various iterations of your ad until you are satisfied with the look and feel. This has occurred in several ads where someone in one country is paying for the ad as a tribute for someone in another country while the source of the information is resident of a third country. Each contributing something for the ad. This takes time. Please contact our team as soon as possible, even if only to indicate intent to submit an ad.

*The committee wants to ensure that your advertisement will be professionally done. Accordingly, we will create a website where we will ask you to review and approve its final look.*
